Automation and media: n8n, Claude, ChatGPT, Google Apps Script, Google Sheets, GoHighLevel (GHL), Zoho CRM, Descript, Adobe Premiere Pro, and Canva.

PROFESSIONAL EXPERIENCE

SEO and Content Head | Majestix Collection

Sep 2025 - Aug 2026

- Led SEO and content operations for a luxury watch platform, covering editorial standards, internal linking, publishing workflows, and content-team coordination.
- Built Claude and n8n workflows for script generation, WordPress publishing, and watch reference-data collection; documented processes through SOPs and training materials.
- Developed keyword research and topical-map workflows, product widgets, and WordPress templates to support the content publishing process.
- Created post-sale customer messaging workflows in GHL and supported social content repurposing, Reels, long-form video, and carousel production.

AI Media Specialist | Content House, Germany

Nov 2024 - Jul 2025

- Produced scripts, social content, and AI-assisted media for agency clients, including supporting graphics and thumbnails.
- Combined writing, graphic design, and video-editing skills to prepare content for social and video formats.

PIOLO BAGOTAO

PROFESSIONAL EXPERIENCE (CONTINUED)

SEO Content Writer | Winndoo (Tencent RTC)

Dec 2023 - Sep 2025

- Wrote technical explainers and comparison articles for a B2B SaaS blog, taking content from keyword research and briefs through to publishing.
- Translated technical topics into clear web content aligned with search intent and reader needs.

SEO Writer & WordPress Editor | TopicalMap.com

Jun 2023 - Oct 2024 | Full-time

- Wrote and edited web content across a multi-brand publisher, applying search engine optimization and web content writing skills.
- Maintained WordPress sites using Elementor and Kadence, supporting content formatting, editing, and publishing.

Administrative Assistant Intern | Office of the City Administrator, Zamboanga

Feb 2023 - May 2023

- Supported local-government documentation and coordination, including contributions to ordinance amendments and city proposals.
- Received a recommendation from the City Administrator for contributions during the internship.

EDUCATION AND ELIGIBILITY

Bachelor of Arts, Political Science and Government

Western Mindanao State University | 2019 - 2023

Civil Service Examination (CSE-PPT), Professional Level

Passed, August 2023 | Region IX

SELECTED PROJECTS AND CASE STUDIES

AI Content and SEO Case Study

Compared three public studies covering 373,000+ pages with personal Search Console observations to examine AI content performance and editorial workflows.

Customer Content vs. Lead Generation

Documented a customer-first content approach, post-sale follow-up, reply-rate trends, and repeat-purchase outcomes.

RESEARCH AND CREATIVE WORK

- Presented research at the 7th International New York Academic Research Congress on Humanities and Social Sciences.
- Credited for graphic design and cover art on The Cousings - Sana All; personal writing explores music and blockchain.
